SAVANNAH **AUTISM** CONFERENCE

---

Dear Friend,

Many exciting things are happening at the Matthew Reardon Center for Autism. Since 2000, MRCA has operated Advance Academy, southeast Georgia's only accredited, year-round day school for children with autism. Over the past 5 years, our enrollment has increased exponentially, we've opened the Matthew Reardon Early Learning Academy for children with autism, ages toddler – 5 years, and we also opened our state-of-the-art sensory playground which is enjoyed by children of all ages and provides opportunities for our students to develop crucial language, motor, and social skills.

Our regional footprint continues to expand through our Advocacy and Outreach Programs as well. Of growing importance is our annual autism conference, one of the few such events offered in the southeastern United States. Our conferences have quickly established a growing base of repeat attendees, drawing participants from 11 states and Puerto Rico since its inception in 2016. Our 2023 Autism Conference will bring more nationally and regionally renowned presenters to our largest audience to date.

We hope that you will consider participating in our conference as a sponsor and attendee. We have numerous levels of sponsorship available so that everyone who wishes to contribute to our efforts is able to do so. To that end, one of our board members will contact you within the next few weeks to further discuss the conference, its goals and objectives and how you can join us in our mission to serve our neighbors and friends affected by autism.

With warm regards,  
Dana Schuller-Smith  
Board Chairman
