

SAVANNAH **AUTISM** CONFERENCE

Continuing Education Instructions

Licensed Professional Counselors (LPCA)

16 CORE contact hours of continuing education have been approved by the Licensed Professional Counselors Association of Georgia (LPCA CE APPROVAL #2022-04-04-513C)

*NOTE: LPCAGA approves professional programs as required by and according to current Georgia Composite Board Rules. The “All or Nothing Rule” states that a program participant must attend the workshop in its entirety and complete an evaluation in order to receive any CE credit. No partial CE credit may be given for attending part of a workshop *or less than all scheduled days if continued over more than one day*. Short absences that are required by a participant's professional or personal urgent situation may be approved by the workshop provider and/or monitor. The participant must return to the workshop without delay. Abuse of this consideration is grounds for denial of the CE certificate. **Arriving late or leaving early is not an acceptable excuse by current standards.**

How do I indicate attendance?

- ***SIGN IN TO EACH SESSION YOU ATTEND and INCLUDE YOUR LICENSE NUMBER***
 - Find the sign-in sheets in the room the session is being held. Find your name on that sheet. Sign in next to your name, place a mark in the column labeled “LPCA”, and provide your license number.

How will I receive my certificate?

- Return to the CEU table at the end of the conference.
 - Return the evaluation form found in your folder. Please make sure your name is on the form.
 - Retrieve your certificate.
 - Certificates will appear in alphabetical order.
